The general service representative has the job of linking his or her group with A.A. as a whole. The G.S.R. represents the voice of the group conscience, reporting the group's thoughts to the district committee member and to the delegate, who passes them on to the Conference. This communication is a two-way street, making the G.S.R. responsible for bringing back to the group Conference Actions that affect A.A. unity, health, and growth. Only when a G.S.R. keeps the group informed, and communicates the group conscience, can the Conference truly act for A.A. as a whole. —AA Service Manual, pg S26

DCM Report – April 2023 – May 2023

Greetings AA's District 8 trusted servants. March and April were busy months for our District 8 and Area 92. Preparing for the 73 General Service Conference, sending Ben N. our delegate to New York with as much Area consensus knowledge as possible. We had a lively discussion on many agenda items at the Pre-Conference Assembly. District 8 had a great showing with 20 members of our district there in person or on Zoom. I thank everyone who participated and brought their groups voice to the Assembly. I look forward to the upcoming Delegate report to see how our hard work turned out. More information on those dates will be forthcoming as well as the tentative date of September 3, 2023 for an area wide virtual Delegate report.

At the Assembly we passed 2 of the 3 submitted motions; 1. The Tech Committee motion for funding up to \$3000 for 2023 and \$1500 for 2024 and thereafter and 2. The Hybrid Ad Hoc Committee motion to define the time frame to submit floor motions before an assembly as motions must be submitted to the Secretary by 5 pm Friday by the maker, we postponed motion 3. a floor motion brought by our group Primary Purpose to establish a quorum to vote on motions was postponed so it could be taken back to the groups for a group conscience. This motion will be back on the agenda for a vote either at the quarterly or the Oct Assembly.

The Finance Committee submitted the proposed budget for 2023 with a projected 12% rise in expenses. The budget did not include the new archives storage costs nor the additional \$3,000 for the Tech Committee and will most likely be revised and re-presented.

Notes from **(April 11, 2023)** District Meeting:

We had 14 GSR's, 3 officers, 5 committee chairs and 2 guests for a total of **25 district members attending**. We had 2 new GSR's Loren M. from the KISS Group and Gary M. GSR and Chris S. an Alt GSR from Mountain Mens Group as well as Jim a member interested in the Bridging the Gap program. We also had Laurie R. nominated and elected to be the new committee chair for CPC. Welcome to all of you and much appreciation for your willingness to serve!

total for the whole order was \$1,029.85, without any shipping. We received the shipping
free because of the size of the order. The portion I have received was \$943.93.

I went to the Standing Committee Meeting. It helps to hear what everyone is doing.
Gave me some insight into what I need for literature. I also attended the Workshop in
Ephrata, there was some great discussion on the plain speaking Big Book and the
committee workbooks. A lot of what we received was listed for just review. I will be going
to the Assembly in Lewiston next weekend. My little committee was ill so we did not
meet.
